

## ISO & Agent Program

Intrix Technology, Inc. provides efficient, turnkey solution expertise in support of our downstream sales partners. Our ISO and Agent partner offices rely upon our industry expertise, online agent portals and innovative solutions to deliver competitive technology and pricing in their target vertical. Our partner programs include:

- Turnkey support for merchants both pre-sales and post implementation
- Timely and accurate residuals
- Up to 85% residual share based on production levels
- On-line agent portal for application tracking, residuals and reporting
- Dedicated account support executives

Our Intrix Partner Programs allow you to differentiate yourself in the marketplace. As a sales office for Intrix, you will work with a team of industry tenured executives who will assist you in evaluating and delivering the payment solutions that best fit your portfolio needs – from virtual terminals, to traditional POS equipment to integrated, proprietary solutions like our Quick Books Plug In solution. Intrix understands the complexity of your business and offers many tools and resources to help our sales partners increase revenues and provide their customers with proven, reliable and secure payment solutions. As an Intrix Technology, Inc. Sales Partner we customize our relationship to ensure maximum residual revenue for your office. Our program features include:

- Tiered Residual Revenue Based On Production Levels
- Dedicated Partner Support
- Solution Consulting and Integration Assistance
- An online Agent Portal which includes a sales prospect management console, a merchant on boarding system and a full featured CRM data base system
- Co-op Marketing Programs
- Lead Generation and digital marketing opportunities
- Private Label Branding of programs and documents

At Intrix, you'll do business with:

- Pricing and Internet specialists
- Tech-savvy support personnel
- Knowledgeable, trained account executives
- Experienced retail, restaurant and Internet entrepreneurs
- Financial planners and most importantly, people committed to helping you succeed

*Intrix Technology, Inc. is a registered ISO/MSP of Wells Fargo Bank, N.A.*
